📊 OPPORTUNITY

400K	$16B	$126B
RIDES/WEEK	WAYMO FUNDING	VALUATION

Waymo targeting **1M rides/week** by EOY 2026 across 20+ cities. Robotaxis run 15+ hrs/day.

🎯 PROBLEM → SOLUTION

Problem: 1,000+ Transdev operators at depots. Doesn't scale to 20+ cities.

Solution: Gig-powered mobile fleet care. Dispatch techs TO vehicles.

SERVICE	PRICE	TIME
Quick Clean	**$12-18**	5-10 min
Deep Clean	**$45-75**	30-60 min
Emergency	**$75-150**	On-demand

📈 MARKET

YEAR	TAM	NOTE
2025	$2.7B	**99% CAGR**
2033	**$147B**	

⚔️ COMPETITION

PLAYER	LIMITATION
Uber AV Services	Competitor to Waymo
Transdev	Depot-bound
Tesla Robots	Years away
MOTRA	**✓ Neutral · Mobile · Focused**

🛡️ WHY NOT IN-HOUSE?

- **Already outsource:** 6+ contractors (Transdev, Moove, Avis...)
- **Not core:** Every $ on cleaning ≠ $ on AI
- **Gig = variable cost:** Pay per clean, not per employee

🏰 MOAT

- **Network effects:** Hyperlocal gig network per city
- **Data:** Predictive maintenance from service data
- **Lock-in:** API embedded in fleet systems
